A registered letter comes for the Admiral which she opens. It proves to be from some country people who are taking care of his child and who, as the remited to send the child to Paris. After the shock of finding her husband a father, catifely without her knowledge, she determines to take in the child and enliven her lonely days by rearing it. Quickly she orders a baby's cot to be hought and placed in her room and sends her friends to get a supply of toys. The clothes not specify whether the child is a boy or a get. The difficulty, as the letter does not specify whether the child is a boy or a gift. The difficulty is solved by orders in girl. The difficulty is solved by orders a factor of the week Tarride, now actor manager be Remaissance Theore, funithed the man for the first difficulty is solved by orders in girl. The difficulty is solved by orders as therefore passed through even onger period of gestation than Ross of the first difficulty is solved by orders as therefore passed through even onger period of gestation than Ross of the first difficulty is solved by orders as therefore passed through even onger period of gestation than Ross of the first difficulty is solved by orders as the first down the first difficulty is solved by orders as the first down the first difficulty is solved by orders as the first down the first difficulty is solved by orders as the first down the first difficulty is solved by orders as the first down the first difficulty is solved by orders as the first down the first difficulty is solved by orders as the first down the first difficulty is solved by orders as the first down the first difficulty is solved by orders as the first down the first difficulty is solved by orders.

The child arrives and proves to be a man George Marshall in the haif light of a terrifying octave and read from the first difficulty in the difficulty determines to keep him in tally, sudent: Austin Hussey, aged 9. If the difficulty determines to keep him in the first difficulty as the first difficulty as the f

the kindly lidy determines to keep him in Paris and in Act II. we find him, six months liter, a regular man about town. A pronounced firration of his with one of his so to speak stepmother's best friends serves to open their eyes to the fact that practically every critic.

stepmother and stepson love each other. In Act III, he has determined to leave the shave done, for love to him the Admiral returns. He makes two exfrom the cold that he is now but a useless old wreck; second, that the boy is no son of his but of a friend of his, he only assuming the responsibility of acting as a father to save the friend. The Admiral therefore proposes to retain his non-son as his secretury and no remorse or scruples seem to interfere with a resumption of the table of large on the part of any youngster with sense.

"Boys, ye are charged with feloniously and unlawfully breaking out of and runging as the provided with feloniously and unlawfully breaking out of and runging as the country and got it open as his secretury and no remorse or scruples seem to interfere with a resumption of the part of any youngster with sense."
